

CALL FOR ENTRY

ORSI invites application for the Best Student Paper Award

Eligibility Criteria

1. The paper must present original research results (a summary of multiple papers is not eligible). This paper may be drawn from research that has already been published between June 2017 and June 2019.
2. The research must have been conducted while the applicant was a student.
3. One or more advisors may appear as co-authors of a paper, but the student's contributions must make up the majority of the paper. The advisor (or nominator) must explicitly comment upon and specify in a letter the percentage of contribution of the student:
 - a. in defining the problem and initiating the research that resulted in the paper.
 - b. in conducting the research itself that resulted in the paper.
 - c. in writing the paper.
4. An entrant can be a (co-)author in at most one paper submitted to the competition.
5. More than one entrant per paper is allowed as long as they are eligible.

The published papers in pdf format of the journal with the letter can be sent to:
