

M.C. Puri Award

Prof. M. C. Puri Memorial Award was initiated by ORSI in honor of Prof. Puri who died in a terrorist attack in 2005 while attending the annual convention of ORSI in the Indian Institute of Science Bangalore. The award is presented to a member of ORSI based on the assessment by the selection committee for his / her outstanding contribution towards the promotion of Operational Research of India. The award comprises a shawl, a citation and a certificate.

Eligibility

This award is given to an individual who has served the society effectively through professional efforts in development, application, or promotion of OR/MS in the realms of research, education, consulting, or management. The recipient must be a member of ORSI during the year in which the award is received. Any individual who is a member of the board and a part of the selection committee is ineligible.
